All requests for rebate funds must be pre-approved. If the work is not completed within six months of approval, customer must reapply for rebate(s). There is no guarantee that funds will be available after the six-month approval or that the incentive amount will remain the same.

Rebate(s) will not be processed without copies of heat load calculations, balance point worksheet or BPA approved PTCS Heat Pump Sizing Calculator (heat pumps only), PTCS Heat Pump and/or Duct Seal worksheets and final invoices. Jobs must be submitted to the PTCS database by the contractor and approved by PTCS before rebate(s) will be issued.

**To qualify for incentives, heat pump and duct sealing must be installed and certified by an active, approved PTCS certified HVAC contractor.**

By signing below, I verify that I am certified as an active PTCS contractor listed on the PTCS registry. The equipment I installed is new, AHRI tested and certified, and I have installed and tested and/or sealed this heat pump and/or duct system to meet PTCS standards for system sizing to heating load, duct tightness, refrigerant charge and air flow.

<b>Rebate will not exceed 100% of the installation cost</b>			

**Upon signing this agreement, customer acknowledges the following:**

Rebate offer(s) may be changed or discontinued at any time by Modern Electric Water Company. Modern disclaims any warranty, whether expressed or implied, regarding the measure(s) listed above for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use.

I understand that the measure(s) must be installed to Modern specifications, and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the homeowner's responsibility to request proof of insurance and licensing that meets the statutes and rules of the Washington State Department of Labor & Industries. Modern strongly recommends validating qualifications before work begins.

I understand the above and certify that I am a customer of Modern, that the measure(s) are installed at the address indicated and that the address is within the Modern service territory.

**Allow 8 to 10 weeks for rebate processing after the receipt of all the final paperwork.**

**Call 888-883-9879 to learn about additional energy efficiency programs.**

*Participation in this energy efficiency program allows Modern Electric Water Company to use your electrical energy consumption history for energy savings research. Your consumption history may be shared anonymously with Bonneville Power Administration for energy savings verification and research.*

# RESIDENTIAL PTCS HVAC HEAT PUMP & PTCS DUCT SEAL Steps to Participation

## GETTING STARTED

To be eligible for the PTCS Heat Pump or PTCS Duct Seal rebate, the application must be pre-approved by Modern Electric Water Company prior to installation. You can find a contractor at [ptcs.bpa.gov/FindContractor.aspx](https://ptcs.bpa.gov/FindContractor.aspx).

Please follow this procedure to qualify for the rebate:

### 1. CUSTOMER & CONTRACTOR

- Customer fills out customer information and signs the HVAC rebate application.
- Contractor completes New Equipment Information and Contractor Information on rebate application, provides the Balance Point Worksheet & Manual J or the PTCS system sizing calculator (for heat pumps only) and the AHRI certificate.
- Please contact [rebates@esgroupplc.com](mailto:rebates@esgroupplc.com) if you would like a copy of the PTCS system sizing calculator.

### 2. PROJECT PRE-APPROVAL

- Contractor submits forms to [rebates@esgroupplc.com](mailto:rebates@esgroupplc.com) or FAX 503-344-6942 for the **pre-approval**. During the pre-approval process, the customer account and HVAC information is verified.
- Upon receipt of the pre-approval from Modern, you may begin the project. The project must be completed in six months.
- If the work is not completed within six months of the pre-approval, the customer or contractor must reapply for rebate(s). There is no guarantee that funds will be available after the six-month approval or that the incentive rebate amount will remain the same.

### 3. POST-INSTALLATION

- After installation the contractor submits all required documents to [rebates@esgroupplc.com](mailto:rebates@esgroupplc.com).
- The PTCS heat pump and/or PTCS duct seal must be approved in the PTCS registry before the rebate will be processed.
- A post-installation inspection may be required.

### 4. DOCUMENTS REQUIRED TO PROCESS YOUR REBATE(S)!

#### For PTCS Heat Pumps:

- Modern Residential HVAC with PTCS rebate application signed by both customer & contractor
- Heat Load Calculations (manual J) & the Balance Point Worksheet or the PTCS system sizing calculator
- PTCS Heat Pump Form
- PTCS Heat Pump Registry Approval
- Final Invoice

#### For PTCS Duct Seals:

- Modern Residential HVAC with PTCS rebate application signed by both customer & contractor
- PTCS Duct Seal Form
- PTCS Duct Seal Registry Approval
- Final Invoice

### 5. RECEIVE YOUR REBATE

You can expect to receive your rebate 8 to 10 weeks after the receipt of all required documentation.

**All work must meet Bonneville Power Administration (BPA) and  
Modern Electric Water Company program installation requirements.**

**For additional questions, call 888-883-9879**
